Grove	GMT/KMK/GMK	Capacity Charts	Capacity Chart Manual (Foil) - GMK 6250 & 6300	9828100680
Grove	GMT/KMK/GMK	Capacity Charts	Capacity Chart Manual (Paper) - GMK 4080/6160 & KMK 5110	9828100692

Note 1: Video CDs are intended for playback on a computer. Video DVDs are intended for playback on a television DVD player.

Video DVDs can be also played back on some comuters.

Note 2: Before ordering translated manuals, contact the appropriate person listed below.

Note 3: A CraneCare Package automatically ships with each new Manitowoc large and small crawler crane. Use the part number above to order CraneCare packages for (1) equipment that is already in the field or (2) additional packages for new equipment. A CraneCare Package contains the following: Manitowoc-branded tape measure, multi-tool, watch, flashlight, pens, equipment manuals, owner's CD, CompuCrane CD, Ground Bearing Pressure CD, and other material.

Note 4: In the "text" section of the order, you must specify current boom rigging, boom type and jib (if applicable). Specify type or chart(s) needed

Manlift Products: MinnPar (800-889-3382)

Grove Products: Richard Rebok (717-593-5509)

National Products: Galen Burkholder (717-593-5535)

Manitowoc Lattice Hydraulic Products: Dan Larsen (920-683-6443) **Manitowoc Traditional (aftermarket) Products:** Virginia Holly (920-683-6222)

Note 1: Video CDs are intended for playback on a computer. Video DVDs are intended for playback on a television DVD player. Video DVDs can be also played back on some comuters.

Note 2: Before ordering translated manuals, contact the appropriate person listed below.

Note 3: A CraneCare Package automatically ships with each new Manitowoc large and small crawler crane. Use the part number above to order CraneCare packages for (1) equipment that is already in the field or (2) additional packages for new equipment. A CraneCare Package contains the following: Manitowoc-branded tape measure, multi-tool, watch, flashlight, pens, equipment manuals, owner's CD, CompuCrane CD, Ground Bearing Pressure CD, and other material.

Note 4: In the "text" section of the order, you must specify current boom rigging, boom type and jib (if applicable). Specify type or chart(s) needed
